

Gustavo Jasso

Academic career

2014 PhD Graduate School of Mathematics of Nagoya University
2014 - 2017 Postdoc at University of Bonn
2017 - Present Akademischer Rat auf Zeit, University of Bonn

Honours

2018 International Conference on Representations of Algebras (ICRA) 2018 Award
Prague, Czech Republic.

Research profile

Homological and homotopical algebra
Representation theory of finite dimensional algebras
Cluster algebras

Supervised theses

Bachelor theses: 2, currently 2
Master theses: 3, currently 1

Selected publications
